# State of the world for women and girls

Around the world, 129 million girls are out of school. An additional 11 million may not return after the COVID-19 crisis.

An estimated 736 million women have experienced intimate partner violence and/or non-partner sexual violence.

Climate change affects women and men differently due to the gendered division of labor, cultural norms and different societal roles.

### Area 1

---

Facing the difficulties of Covid-19 and to meet the needs of the clubs, it was decided not to charge the membership fees for the fiscal year 2020/2021.

We could do so, since the financial status in Area 1 had enough funds to do so.

This year (2021/2022) the board have only charged half of the usual fee. Our meeting later this month will decide if the clubs will approve this measures

## District conference 2021

### Area 1

---

**We are still facing a decline of the number of clubs – yet 21 and some struggling**  
**Some clubs have manage to maintain the number of members, some even to expand**  
**But in total the number of members is reduced to 465 (from 558 in 2019/2020)**

In general the clubs have been innovative  
tried new meeting platforms  
used different ways to stay in touch  
done things they haven't done before

Of course a year of restrictions leaves us with a lot of  
work to do, repair, renew and rebuild – but I'm sure we  
will find the tune again.

### Reality and Challenges

- Increasing
  - 2018 – 2019
  - A lot of activities, events, cooperation, increased number of members.
- Decreasing
  - 2019-2020
  - Main reason is covid-19.
  - Financial help to Lithuania and Iceland clubs.
- Critical time from May to July when members are renewing their membership and close following up from clubs are important at this time
- The reality is that we are now less 66 of members.

## District conference 2021

Area.....

### Reality and Challenges

- After Reality comes Challenges.
- Our biggest Challenge today is to stop decreasing members and invite new members.
- Clubs Presidents must be very innovative;
  - active conversation with members
  - use new virtual ways of contacting members
  - organize virtual and physical meetings with some special programs
- Areas Directors to actively support and help to every club.
- We will keep our members only if we will stay in close contacts.
- This is good time to invite new members!
  - after staying lot of time at home, people will enjoy new activities.
- It is a new time, and we must adapt to new reality.

## **What is a legacy gift?**

A legacy, or planned gift, is a provision to leave part of your estate to the Zonta International Foundation. It can be a bequest of a specific amount, a percent of your assets, a life insurance policy, stocks, annuities or other financial instruments.

**Would you like to reserve your place  
in Zonta's future?**

# What can we do and Why

---

Zonta exists because courageous, innovative and determined women who no longer wanted women to be second-class citizens came together. Right from the very beginning, 101 years ago, Zonta was about changing social norms.

Girls and women are still the losers in all wars and conflicts.

...A pencil is not a privilege—it is a right. When a girl is free to use her pencil, she will right wrongs, she will write history—not just her own, but that of all girls and of humankind...

# Get educated on the issue and talk about it

---

- Zonta is a strong organisation of women.
- We have voted on the projects and scholarships and it is our duty to help with the funding
- Use the campaigning possibilities .
  - Zontas Birthday ( November 8)
  - Zonta saus NO to Violence Against Women
  - Zonta Rose Day ( 8 March)

You can combine the possibility to earn money and make Zonta known in the Community

## Your gift makes a lasting difference

---

- There are many ways to give:
- Club donation
- Personal donation once or monthly
- Make your firm donate the money to Zonta instead of giving you a Christmas gift
- Sell Roses on Rose day
- Host a special open meeting with ( PR and Money!)
- .....
