Why participate in district conference?

Participation in a district conference is important. The purpose of the conference is to promote the objectives and programs of Zonta International and conduct the business of the

district. At a district conference every member has a voice and every club has a vote. Let your voice and the voice of your club be heard! A district conference is also the perfect place to learn more about Zonta and the business of the district, and last but not least, meet other Zontians and have a good time.

Accommodation

A number of rooms in different categories have been pre-booked for conference participants. To secure the accommodation of your choice, we recommend that you submit your hotel booking as early as possible. Bookings are via the registration form. Please contact helga@komum.is with accommodation-related inquiries.
