

# Area 1

# Zonta Danmark

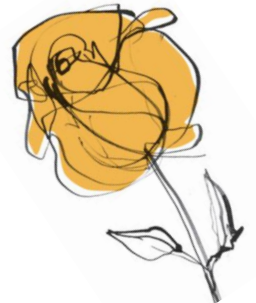

Distriktsmøde 1.-3. September 2023

---

## Ups and downs

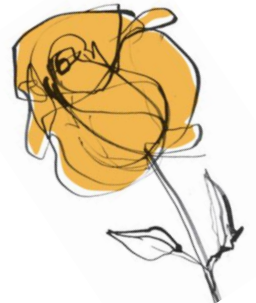

**We have been loosing members the last biennium and are now 434 members and we have closed 2 clubs (net loss since 2021 30 members)**

---

**Status in the remaining clubs**

**All are reporting that they are gaining members**

---

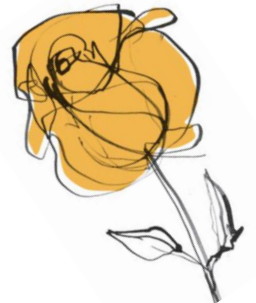

## Highlights from club activities:

“lop de lux” high-end secondhand markets

“banko og bobler” (Bingo & Bubbles)

Art Fairs

Christmas markets

---

New approaches finding money and making a difference

A project on the conditions of developmental disabled women's sexual rights

Coworking with the University of Aalborg, the ngo Lev and Zonta Aalborg founded by hopefully Velux Fonden.

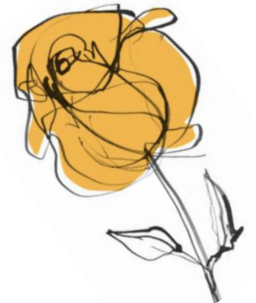

**The clubs are in good shape**

**At our area meeting in 2022 the clubs made several very exciting proposals how to make Zonta more visible and stronger**

**“Our film – you will have the possibility to view on our web-site [www.zonta.dk](http://www.zonta.dk) and late at this meeting**

**Support from the district**

---

**Participating at Folkemødet – a political festival on Bornholm (a pilot project was done)**

**Going for the next interdistrict seminar in 2023 (obtained)**

**Going for the convention in 2028 (we still hope)**

**We have had a very successful year:**

**Maria Østergaard, Zonta club Copenhagen Multicultural, was elected chair of the Danish Womens Concil**

**Shideh Pourzahed, Zonta club Frederiksbergo was appointed by the minister of children and education as the Danish National representative for the UNESCO national committee**

**We started a process on having 16 days of activism all over Denmark – this year will be even better in Aalborg e.g there will be several orange buildings**

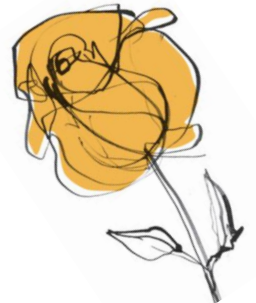

**8<sup>th</sup> of March is celebrated in most club via diverse activities.**

---

**We have focused on scholarships – quite successfully**

**In cooperation with Topsoe (via Maria Østergaard) we were able to extend the “håndværker-legat” a scholarship to make women visible in craftsmanship especially in trades where there are more men than women from one to six a great success**

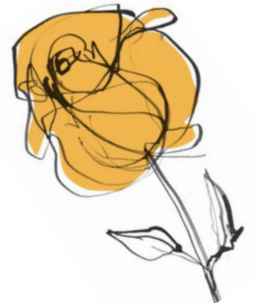

---

**Young women in public affairs – several clubs are joining to find good candidates with great succes**

**We also have had good success on Jane M. Klausmann**

**The Danish ph.d scholarship unfraternally will most likely run out of money**

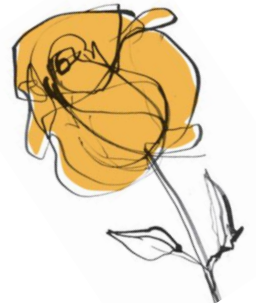

---

**Our media-team is strong**

**We have introduced igroups to share  
information between clubs**

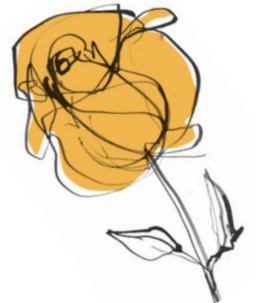

**Produced a film**

**Connecting and rethinking the way to make  
Zonta visible to attract and obtain members**

### Leadership development

Looking to the Zonta in general have difficulties to attract and retain members in the new generations, we are trying to get more knowledge on this subject in cooperation with the clubleaders

### **Area 01 leadership**

**Developing new paths of communication**

**Progress in fundraising also doing better in supporting the international projects and funds**

**I'm stepping down next summer, but I'm confident that the good work done by this board will be continued and get even better**
