Area 01 – Denmark

A wooden boardwalk made of light-colored planks winds through a coastal dune landscape. The path starts in the foreground, curves to the right, then back to the left, and continues into the distance. The dunes are covered in tall, golden-brown grasses. To the right of the path, there are dense, green bushes and small trees. The sky is a mix of soft, hazy colors, suggesting a sunset or sunrise. The overall mood is peaceful and nostalgic.

IMMORTALITY

Clare Harner

Do not stand
By my grave, and weep.
I am not there,
I do not sleep—
I am the thousand winds that blow
I am the diamond glints in snow
I am the sunlight on ripened grain,
I am the gentle, autumn rain.
As you awake with morning's hush,
I am the swift, up-flinging rush
Of quiet birds in circling flight,
I am the day transcending night.
Do not stand
By my grave, and cry—
I am not there,
I did not die.
